We're closing in on our goal of \$500,000

We are very excited about the formation of the Jackson County Central Education Foundation. The JCC Education Foundation is a non-profit organization created to enhance education for the students and staff at Jackson County Central.

We are enjoying great GROWTH! Our goal is to raise \$500,000, and we have already received \$140,000. The JCC Education Foundation is asking you to consider a gift to "Create a Lasting Legacy" by supporting the Foundation with your contribution.

Sincerely,

JCC Education Foundation
Board of Directors

Our Purpose

- Build an endowment fund to meet emerging and future educational needs of our communities.
- Maintain a project fund to address immediate educational enrichment needs.
- Provide vision to ensure these funds improve the educational opportunities in our communities.
- Give donors an opportunity to achieve their charitable objectives. These benefits could be a reduction in taxes or a lifelong stream of income.

Donors will be helping others while receiving tax benefits (The JCC Education Foundation is a 5013C non-profit organization).
