Serving the communities of Sioux Valley • Lakefield • Jackson

We are very excited about the formation of the Jackson County Central Education Foundation. The JCC Education Foundation is a non-profit organization created to enhance education for the students and staff at Jackson County Central.

Thanks to many generous individuals the Foundation is enjoying financial growth with many new donors and has already provided financial assistance to JCC. Since its inception, the Foundation has contributed \$37,280 to our school district.

Our goal is to raise \$500,000 and we have already received over \$147,000. The JCC Education Foundation is asking you to consider a gift this year (2008) to “Create a Lasting Legacy” by supporting the Foundation.

Sincerely,
 JCC Education Foundation Board of Directors

Our Purpose

- Build an endowment fund to meet emerging and future educational needs of our communities.
- Maintain a project fund to address immediate educational enrichment needs.
- Provide vision to ensure these funds improve the educational opportunities in our communities.
- Give donors an opportunity to achieve their charitable objectives. These benefits could be a reduction in taxes or a lifelong stream of income.
