## Kindergarten Virtual Snow Days Choice Board

### 2017-2018 Virtual School Day Expectations

Dear Parents/Guardians,

In the event of school closings for weather or other unexpected circumstances, we will have a virtual school day. We, as well as the specialty teachers, Title I, Reading Interventionist, and Spec Ed, will be available from 7:45 a.m. – 3:45 p.m. for any questions you may have. You can contact your kindergarten teacher through school email.

On the reverse side of this letter you will find the KINDERGARTEN CHOICE BOARD. Each child is required to complete 1 activity under each of the letters S, N, O, W. They will have 4 activities to complete. This will help your child enhance his/her learning from home, since this is being counted as a school day. Once they have completed an activity, have them color it in on their card. Then a parent needs to initial in each completed activity. Please turn this into your classroom teacher once you are finished with the 4 activities. This choice board must be returned to your classroom teacher within 3 schools days. We will be using this as our attendance record for the missed snow day.

Once you have turned in your choice board for that day, each child will be sent home with a new board for the next possible snow day.

Please contact your classroom teacher if you have any questions throughout the day.

Thank you for your assistance at home with these activities.
