### 3<sup>rd</sup> Grade Virtual School Day Choice Board

Dear parent(s),

Due to a school closing for weather or other unexpected circumstances, we will have a virtual school day. I will be available for questions or comments. You can contact me through school email from 7:45-3:45pm.

On the reverse side of this letter you will find the 3<sup>rd</sup> grade choice board. Your child is required to complete and turn in **one** activity under each column (Language Arts, Math, Spelling, Science/Social, Music, PE, Art). They can choose the free space only once. They will have 5 activities to complete. After your child has completed the activity they will need to color in the box and you will need to sign this paper so they can return it to school. If we miss a second consecutive day, your child will need to complete a different activity from each category. Please keep this letter and choice board.

This choice board must be returned to the classroom teacher within 3 school days after the virtual school day. This is how we will take attendance for the day. Not all assignments (spellingcity, IXL, readtheory, etc.) will have an assignment to return.

Please contact me if you have any questions throughout the day. Thank you for your assistance at home with these assignments.

Thank you,
