

What's on YOUR plate?

Q: What can you do with a LEEK?!

- A. Stick your finger in it until help comes!
- B. Call a plumber to fix it!
- C. ABANDON SHIP!
- D. None of the above

A: The answer is D – none of the above. The other choices are all LEAKS, not LEEKS! Leeks are mild-flavored veggies related to onions that are often used to flavor soups, but can also be enjoyed sliced and sauteed!

MANY MOONS

Native Americans had special names for every full moon of the year. One name for this month's full moon is the "Full Crust Moon," because by March snow cover is melting during the day and re-freezing and crusting over by night.
